

Smoking – what do you know?

Smoking and your body:

How does smoking affect various parts of your body?

Smoking and your appearance:

Describe how smoking might affect your appearance.

Smoking and your pocket:

*How much does a packet of 20 cost?
What else could you do with the money?*

Being with smokers:

*Do you like people around you smoking?
Why? Why not?*

Smoking and the law:

What does the law say about smoking, about the age people can buy cigarettes, about those who will sell cigarettes to young people? What do you think about these laws?
